SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir/Madam:

To comply with 37 C.F.R. §1.97 and §198, Applicants submit the enclosed supplemental Form PTO-1449 and copies of all documents listed on that form with the exception of cited U.S. patents and U.S. patent application publications.

In accordance with MPEP §609 and §707.05(b), Applicants respectfully request that each document listed be given thorough consideration and that the Examiner cite each document of record in the prosecution history of this application by initialing Form PTO-1449 next to each document. Applicants request such initialing even if the Examiner does not consider a listed document to be sufficiently pertinent to use in a rejection or to be prior art for any reason. Applicants make this request so that each document becomes cited on the face of a patent issuing from this application.

Applicants submit this Supplemental Information Disclosure Statement in compliance with the duty to disclose information material to patentability under 37 C.F.R. §1.65, but by listing such documents Applicants are not admitting that such documents are necessarily relevant or prior art. Applicants intend no representation that the listed documents represent the results of a complete search. Applicants anticipate that the Examiner, in the normal course of examination, will make an independent search consistent with 37 C.F.R. §1.1049a0 and §1.106(b) and, in the course of such search, will review for relevance every document listed on the enclosed Form PTO-1449 even if not initialed.

This Supplemental Information Disclosure Statement is filed together with a Request for Continued Examination and Amendment B. Applicants authorize the Commissioner to charge \$970 (\$180 for the Supplemental Information Disclosure Statement and \$790 for the Request for Continued Examination) to Deposit Account No. 01-0025. Applicants believe that they do not owe any other fee(s) for this filing. If, however, Applicants do owe such fee(s), the Commissioner is hereby authorized to charge those fee(s) to Deposit Account No. 01-0025. In addition, if there is ever any fee deficiency or overpayment under 37 C.F.R. §1.16 or §1.17 in connection with this patent application, the Commissioner is hereby authorized to charge such deficiency or overpayment to Deposit Account No. 01-0025.

Respectfully submitted,
Kempf et al.
